Dedication

DORCAS ANNE COOKE

We the Senior Class of 1955 dedicate our yearbook, the Pentonian, to Dorcas Anne Cooke, whom we will always remember as the most talented and co-operative member of our class.

One of her greatly appreciated artistic contributions is the beautiful scene that decorates the high school lawn at Christmas time. This was so ably done just before Dorcas passed on, February 25, 1952.

Dorcas is a friend who well deserves the praise and respect of all who knew her.

SENIOR CLASS HISTORY

High school has passed quickly for the Senior class of 54-55. It wasn't more then two months after school started, in September of 54, that we were struck, and really struck with Senioritis. We had our pictures taken, ordered our graduation gowns, invitations, thank you cards, and name cards. Our most thrilling experience by far, was the planning of our senior trip to Washington D. C.

Looking back through the years we find we have had many thrilling experiences. Oh, Yes --- Our Freshmen year started out with a real bang; the tortures of initiation were inflicted upon us by the Sophomores, who carried out the countless tricks in the traditional spirit.

Our Freshmen year, however, was not all that of happiness for we lost a member of our class; Dorcas Cooke, who died in 1952.

You could never have found a bunch of prouder Sophomores, for we were the first Sophomore class in years to hold all offices of the Student Council; Mary Jo Palmer-President, Ray Parnell-Vice President, and Shirley Johnson as Secretary-Treasurer.

We didn't stop there; we revised the school paper, the "Echo", and had it going full force.

In our Junior year two of our members again took Student Council offices, Mary Jo-President and Shirley-Secretary-Treasurer. This was also the year we presented our first play "Keep Moving" which was a very successful event in everyones opinion. Our class rings added a great deal to the memories of that year and we still look at them with admiration. Then before we knew it we were making plans for the Junior-Senior Prom, which turned out to be one of our most memorable events. Our theme was "Alice in Wonderland" and music was provided by the Owen and Styles' Orchestra.

All at once we found ourselves Seniors and making all kinds of plans for Commencement, and we once again took Student Council officers, Barbara Baker-President, Ray Parnell-Vice President, and Shirley Johnson-Secretary and Treasurer.

An interesting factor this year was discovered; eight of the nineteen members in our class started school together. They are Gladys Coon, Pat Schader, Roberta Gregwer, Frank Venn, Ray Parnell, Saralee Parnell, Nancy Squire, and Cora Graham.

The other members of the class are: Shirley Johnson, Tom Hass, Marjorie Leversey, Darrell Martin, Carl Ringwald, Louie Frank, Beatrice and Barbara Warner, Kay Kessler, Barbara Baker and Mary Jo Palmer.

There have been many different plans made for the future by each member of the class; but whatever they are, we want to wish all the Seniors of 1955 all the happiness life can bring.

Junior Class History

The Junior class started the year with only 7 members, the smallest class in High School, but the last part of November a new member was added, Dick Rittenhouse.

The first activity of the year was a dance on October 29. Our other events which followed were a variety show in January, chili supper and another dance. Also the annual Jr.-Sr. Prom which was held at the Yacht Club. It was a very successful event with everyone enjoying themselves.

SOPHOMORE CLASS HISTORY

Under the direction of Mr. Rottschafer, the Sophomore class opened the school year by the humorous initiation of the Freshmen which was followed by a dance and party in their honor given by the Sophomores.

Robert Maynard

Charles Cutler

During the year the class sponsored a number of candy and bake sales, a dance and a movie which gradually added quite a sum to their financial situation.

Freshmen Class History

The Freshmen class advised by Mr. Guy Van Nortwick registered in September and began the school year choosing subjects to coincide with their future plans.

The first big event was our initiation which usered us into our high school career. On November 12, our class featured a dance the "Autumn Swing" which proved to be very successful. For the Christmas holiday our class enjoyed making door decorations to add money to our treasury. These and many more of our projects have been notably successful and we are looking forward and preparing for the following years of high school life.

BOYS' BASKETBALL RESULTS

Under the supervision of the Falcon's coach, Mr. William Noyd, the team has progressed rapidly. The season started out with an intensive amount of practice, hard work, and enthusiasm. Coach Noyd put the Falcons in good physical condition so as to meet their competitors with an excess of force. The team held a 12 win and 7 loss record throughout the season. The members of the Varsity were: Ray Parnell, Darrell Martin, Bud Ringwald, Tom Hass, Frank Venn, Eddie Bigelow, Marvin Strong and Chuck Gregwer.

The little Falcons held a 5 win and 12 loss record. They were a fighting squad and never gave up even when the chips were down. Members of the Team were: Jack Calabrase, Kenny Kessler, Bob Maynard, Lloyd Hansen, Charles Cutler, LaVern Coon, Fritz Guetzka, Dick Rittenhouse, George Martin, and Jerry Carlson.

THE GAME OF THE YEAR

A game scheduled for February 22, 1955, with the St. Joe Braves, turned out to be the most dynamic game of the year. The game proved very exciting and with record breaking speed. The Falcon's up for a spectacular finishing of the season before the District Tournaments defeated the Braves by a score of 100-70. This game broke their previous record of 88 points against Walkerville in the 51-52 season. The Falcon's began to roll at the sound of the first whistle, and continued to do so till the very last second of the game. After achieving 88 points, every point thereafter, set a new record for the Falcon's. Through clever ball handling, good shooting, and enthusiasm to get out and win, the Falcon's put on a great performance.

We of the Senior's, who will graduate, and who were on the Varsity, give our sincere thanks to Coach Noyd for his patience and hard work which he went through, to give us a swell ball club; to those who will make up the varsity next year we wish you the best of luck and achievement throughout the 55-56 season.

Varsity pictured above are, back row: Coach Noyd, Chuck Gregwer, Marvin Strong, Frank Venn, Bud Ringwald, Manager Dick Rutledge. Seated are Ray Parnell, Tom Hass, Ed Bigelow, and Darrell Martin.

GIRLS' BASKETBALL TEAM

Back Row: Wilma Hepworth, Cora Graham, Mary Jo Palmer, Mrs. Lucas, Nancy Squire, Roberta Gregwer, Kay Kessler. Front Row: Donna Coon, Sharon Rellinger, Sharon Finucane, Gloria Cobleigh.

The Pentwater girls' basketball team has received a new coach, Mrs. Lucas, who has done many things to improve the team.

The team has been very good in holding all of their opponents to a small margin. They have had a very rough schedule this year: Custer, Luther, Walkerville, Freesoil, Holton, and St. Simons. All games were close and very exciting, there has been a very good turn out to all home games, too. The girls has progressed very rapidly learning new plays and tricks which are sufficient for winning games.

There are many new players coming up which should be very good, with a little practice and good coaching. The team this year will lose fifty per cent of their players, whom are Seniors. Those leaving will be: Mary Jo Palmer, Roberta Gregwer, Cora Graham, Kay Kessler, and Nancy Squire.

On behalf of all the departing team--good-luck to those who will make up the team next year.

MUSIC DEPARTMENT

The first activity of the band this year was the spring concert. The arrangement of the concert was centered around a winter scene and Christmas skit, which was different from previous years and attracted quite a crowd.

The band is also planning a concert for the coming spring.

We are proud of the excellent rating of the students in the solo and ensemble contest this year. Those receiving first in the Class D contest were: Eddie Bigelow, Ken Kessler, Boyd Arnold, Dean Gustafson, and a trio composed of Ken Kessler, Joey Rellinger, Glen Craig. Richard Hatfield received a third. At the District Eddie, Boyd, and Kenny received second places.

We are looking forward to several exchange programs with different schools in the coming months.

All in all this year has been quite prosperous and we will sincerely miss the seniors of "55" next year in band. Eight of the band members who will graduate are Shirley Johnson, Kay Kessler, Nancy Squire, Roberta Gregwer, Margie Leversey, Pat Schader, Mary Jo Palmer, and Barbara Baker.
